

Activity March 16, 2019 – Pickle Parade and Palooza

We will be participating in the **Mansfield St Paddy's Pickle Parade and Palooza on March 16**. Some NTCA members have volunteered to drive their Corvairs in the parade. As of now (March 5th), we have nine vehicles signed up. We can have ten in the parade, so if you'd like to drive your Corvair in the parade please contact Robert Freeman 817-913-3032 or me (Mike Boyle) to get on the list.

We will **meet at 11:00 in the Hobby Lobby parking lot at 122 Hwy. 287 South at the E. Broad St. exit**. We will leave there to drive to the staging location at 11:15. The staging area is at the St. Jude Catholic Church located at 500 E. Dallas St. We will decorate the Corvairs there. The theme this year is Moon Rocks! It's the 50th anniversary of Man setting foot on the Moon.

Bring a snack to have during the parade. We will have bottled water.

Anyone wishing to ride in one of the cars please come to the staging area before 1:PM.

After the parade we'll have an **early dinner at Los Molcahetes Mexican Restaurant located at 960 Hwy. 287 North**. This will be sometime **between 3 & 4:PM**.

Any questions please contact Robert Freeman 817-913-3032
